

*Electrical & Electronic Testing & Measuring Instruments
Industrial Electrical Enclosure & Power Distribution System*

Electrical Solutions Experts Since 1991

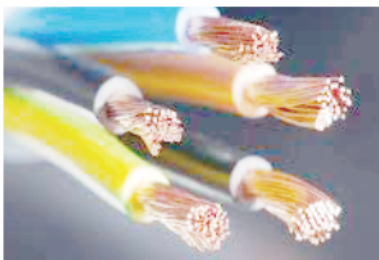

About us:

We were established in 1991 as a Supplier of Electrical goods. Today we have a strong foothold as leading supplier and electrical solution provider of high quality electrical products with unparalleled customer service. Our team works hard to accomplish Hi-Tech's mission of providing the best quality products & services to the customers all over Gujarat. We serve our team of technically qualified executives regularly undergoing product training to ensure that we offer the right products to meet our customer's each and every requirements. In line with our commitment to quality services, we go an extra mile by providing tailor-made comprehensive the demands of the electrical market.

We are providing the best electrical solutions and Innovations in automation system with the new advanced electrical products for our next generation. Customers can find all types of Electrical Solutions at Hi-Tech Marketing.

Why to associate with us?

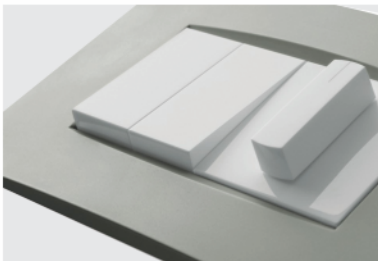

- Industrial experience and excellence since 1991
- More than 10000 products from more than 15 reputed brands
- We execute small to bulk orders. No value driven barriers
- All products with manufacturer warranty
- Outstanding after sales support
- We excel in need based product guidance
- The most aggressive rates for all brands (national/international)
- Ready stock as per demand

Authorized Channel Partners:

& Many More..

Verticals We Cater To:

Retailors & Traders

Proximity to Point of Sale,
Availability at Point of Sale,
Revolving credit Schemes,
Fair Price, Same / Next Day
Delivery, Incentive Scheme,
Promotional materials

Contractors

Immediate / Scheduled
Delivery, Special Prices,
Extended Credit, Consultant
driven / Approved brands
business, Low margin but
High volume game.

Exports

Tech. Support, Pre / Post
Sales Documentation,
Scheduled Delivery (Critical),
Sea Worthy Packing,
Approved brands business

Builders / Architects / Interior Designers

Immediate / Scheduled Delivery,
Special Prices, Rate contract,
Extended Credit, Consultant
driven, Approved brands business

Industries

All kind of Solutions,
Technical Support,
Post Sales Services,
Scheduled Delivery,
Consultant driven /
Approved brands
business

OEM

Solutions, Tech Support,
Special stock requirements,
Special Prices,
Rate Contract, Credit
Scheduled Delivery

Panel Builders

Immediate / Scheduled
Delivery, Special Prices,
Rate contract, Extended
Credit, Consultant driven /
Approved brands business

We understand your needs !

Solutions We Provide:

We provide best customized solutions according to the client's need. Right from corporate houses and industries to small retailer and homes. We provide all kind of solutions for any electrical requirement.

- Switch Gear
- Modular Switches
- Wires & Cables
- Lighting
- Earthing & Cable Management
- Home Automation Solutions
- Weather Proof Enclosures
- Industrial Electrical Enclosures
- Testing & Measuring Instrument
- Timers, Counters, Controllers
- Process Control and Instrumentation
- Meters
- Current Transformer

Product Portfolio:

Switch Gears:

- Air Circuit Breaker (ACB)
- Capacitors
- Contactors & Relay
- Distribution Boards
- Indicating Lamps
- MCB, MCCB, ELCB
- Metering Products
- Motor Protection Circuit Breaker (MPCB)
- Plug and Socket
- Switch Dis-connector Fuse Unit (SDF)

Modular Switches

- Bell Press & Double Pole Switches
- Dimmer & Fan Regulators
- Products for Hospitals & Hotels
- Switches and Socket Outlets
- TV / Telephone / Data Outlets

Earthing and Cable Management

- Cable Routing Systems
- Cable Support Systems
- Earthing & Equipotential Bonding Systems
- Surge Protection Systems
- Underfloor Systems

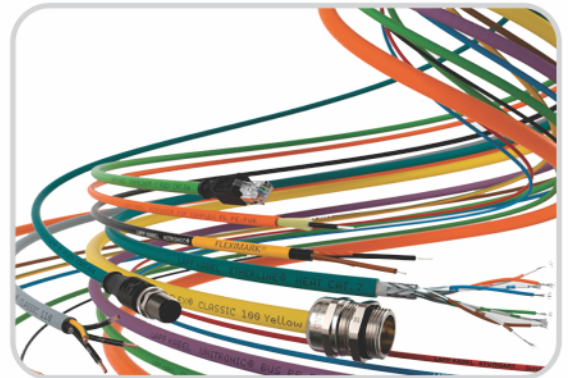

Home Automation Solutions

- C-Bus Product
- EZ-install Wireless Technology
- Wiser Home Control

Wires and Cables:

- Anti Rodent Cables
- Building Wires FR / FRLS / HFFR
- Coaxial & LAN Cables – CAT 5, 5E, 6 & 6E
- Fire Survival Cables (FS)
- Instrumentation Cables
- Industrial Flexible Multicore Cables
- LT PVC / XLPE Power & Control Cables
- Telephone Cables
- Zero Halogen Cables

Lighting

- Domestic & Commercial Luminaires
- Flame-proof Luminaires
- High Bay and Flood light Luminaires
- Street Light Luminaires

Weather Proof Enclosures (IP65/66/68)

- Cable Entry Systems
- Distribution Boards
- Empty Enclosures
- Junction Boxes
- Power Distribution Boards

Industrial Electrical Metal Enclosures

- Floor Standing Enclosures
- Terminal Boxes
- Wall mounted Enclosures

Timers, Counters and Controllers

- Counters and Rate Indicators
- HMI
- Measurements
- Monitoring / Protection Relay
- PLC
- Process Indicators
- Temperature Controllers
- Time Switches
- Timers

Meters

- Analog Panel Meters
- Digital Ammeters / Voltmeters
- Digital Panel Meters
- Digital Power Factor Meters
- Energy Meters
- Multifunction Meters
- Tariff Meters
- VAF Indicators

Testing and Measuring Instruments

- Digital Clamp Meter
- Digital Insulation Tester
- Digital Multimeter
- Earth Resistance Tester
- Infrared Thermometer
- Laser Distance Meter
- Loop Calibrator
- Lux Meter
- Moisture Meter
- Non-Contact Voltage Detector
- Tachometer & Stroboscope
- Thermography Camera

Process Control and Instrumentation

- Bargraph Indicator
- Calibrators
- Datalogger
- Digital Controller
- Energy Monitoring System
- Flow Indicator Totaliser
- Indicators
- Modbus I/O Modules
- Multi-Function Transducer
- On / Off Controller
- PID Controller
- Scanner
- Signal Isolator
- Single Loop Controller
- Thermocouple Calibrator
- Vibration Products
