

## POWERLINE-SP 20

### Product Information:

**POWERLINE-SP-20W** LED retrofit Tube which offers excellent energy saving and maintenance-free operation is an ideal solution for replacing T8 fluorescent lamps in the existing luminaires.

POWERLINE is featured with long lasting LED light sources having high luminous efficacy and highly translucence optical system to ensure maximum light output with excellent glare control and uniformity.

| Product Code | Rated Power (W) | Rated Voltage (V) | Input Current (A) | Weight (Kg) | Rated CCT (K) | CRI |
|--------------|-----------------|-------------------|-------------------|-------------|---------------|-----|
| LTPS-20-C    | 20              | 240               | 0.09              | 0.3         | 5700          | >80 |

### Electrical Specifications

|                          |            |
|--------------------------|------------|
| Input Power:             | 20W        |
| Operating Voltage range: | 120-265 AC |
| Input Current:           | 0.08-0.1A  |
| PF:                      | >0.9       |
| THD:                     | <20%       |
| Surge Protection:        | >2 kV      |

### Specifications

|              |                             |
|--------------|-----------------------------|
| Housing:     | extruded anodized aluminium |
| Optics:      | extruded PC opal diffuser   |
| Protection:  | IP20                        |
| Rated Lumen: | 2100 Lm (6000K)             |

### Applications

Commercial buildings | Residential buildings | Other indoor applications

Orient Electric: C-130 | Sector-63 | Noida-201301
