Founded in the year **2000**, **Selec Controls Pvt. Ltd.** is an **ISO 9001-2008 Certified** company engaged in the domain of manufacturing a quality definite compilation of Multifunction Meters, Energy Meters, VAF Meters, etc.

About Us

Founded in the year **2000**, **Selec Controls Pvt. Ltd.** is engaged in the domain of manufacturing a quality definite compilation of **Multifunction Meters, Energy Meters, VAF Meters, Electronic Voltmeters, Electronic Ammeters, Power Factor Meters, Frequency Meters, PLCs And HMI, PLC And Accessories, PID Controllers, Economic Temperature Controllers, Profile Controllers, Cooling Controllers, Process Indicators, Analog Temperature Controllers, Din Rail Mounted Timers, Plug Panel Mounted Timers, Digital Timers, Process Control Counters, Current Transformers, Electric Transducers and Process Control Accessories.** These provided products are manufactured using supreme-class quality basic material and contemporary tools under the management of capable & well-informed personnel. Highly recognized and respected in the market for their durability, competence and sturdiness, these provided products are highly acknowledged.

We believe that team coordination plays a very important role to attain success in the market; therefore we have affianced an excellent team with us who are amid some of the most well-informed employees offer in the market.
